

Curriculum vitae

Asadollah Saadatniaki, M.D

Department of Anesthesiology, Imam Hossein Medical Center

Madani St, Tehran, 16179-73141

IRAN

Tel: +98(21)7756-7840

Fax: + (21)7756-7840

Email: saadat_niaki@yahoo.com

Email: asaadat@sbmu.ac.ir

Date of birth: 20th Sept. 1957

Place of birth: Amol, Iran

Marital State: Married

National No: 214-184402-9

Life history& Professional activity:

- Since 2003, part time collaboration with Gandhi day clinic
- 2002-2003, member of secretary council in Imam Hossein Medical Center.
- Since 2002, part time collaboration with Negah Eye Center.
- 2002-2003, member of pain commission in Boniad Janbazan.
- 2001-2008, General inspector in Negah health cooperation C0
- 1999-2004 director of pain clinic in Iranian Medical Institute.
- 1997-2003 part time collaboration with Mahrad private general hospital.
- 1995(6months), part time collaboration with central Petroleum Hospital.
- 1991-1996, Shohada Medical Center.
- 1989-1991, Taleghani Medical Center.
- Since 1989, part time collaboration with Khatam-Al-Anbia general hospital.
- Since 1989, Academic member of Shahid Beheshti university Medical Sciences (1989-2002 Assistant professor), (2002, March, Associated professor).

- 1988-1989, member of scientific board in Ahwaz University Medical Sciences, Ahwaz, Iran.
- 1988, July, Iranian Anesthesiology board Certified (first degree).
- 1985-1988, Anesthesiology residency in Beheshti University Medical Sciences, Tehran, Iran.
- 1983-1985, military health services in Esfahan, IRAN.
- 1975-1983, General physician graduation in Tabriz University, Iran.
- 1974-1975, high school diploma in Adib, Tehran, Iran.
- 1969-1974, high school graduation in Pahlavi school, Amol, Iran.
- 1963-1969, primary school graduation in Hakimi School, Amol, Iran.

Positions & Activities:

- 2009-2011, member of "Pain Planning & Strategy Committee" in Shahid Beheshti University of Medical sciences.
- 2009-2011, member of "Anesthesiology research Center" in Shahid Beheshti University of Medical sciences.
- 2008-2010, member of research council of "Cancer research Center" in Shahid Beheshti University of Medical sciences.
- 2008-2010, member of consultants in "Iranian Medical Council" for medico legal claims.
- Since 2007, Director of pain education program in Shahid Beheshti University of Medical sciences.
- Since 2005, member of consultants in multidiscipline pain clinic in Khatam-al-anbia hospital.
- 2001-2005, member of Iranian Anesthesiology board examination.
- 2001-2002, member of Iranian Anesthesiology certification examination.
- 2001-2004 members of edition and revision of training program for Anesthesiology technicians.
- 2001, scientific secretary of second annual meeting of Iranian pain society in Tehran.

- 1999-2004, member of edition and revision of training program for anesthesiology specialty in Iran.
- 1998-2004 Councilor of Iranian pain society.
- 1996-2010 Councilor of Iranian society of Anesthesiologists.
- 1996-2003, Chief of Anesthesia department in Imam Hossein Medical Center.
- Since 1992, member of editorial board of Iranian journal of Anesthesiology & critical care.
- 1991-1995, committee member of edition of refresher course program for Iranian Anesthesiologists in ministry of health.
- 1991-1995, member of Iranian medical standards committee.
- 1991, establishing of training program for Anesthesiology residents in shohada Medical Center, Iran.
- 1990-1994, Deputy of Education Affairs (Anesthesiology department in Beheshti University Medical Sciences, Iran.
- 1988-1989, establishing of training program for anesthesiology residents in Sina Medical Center, Ahwaz, Iran.
- 1984-1985, chief of health service in faculty of artillery. (Military service, Esfahan, Iran).

Researches & Scientific Activities:

1. Saadatniaki A, Abtahi D. Farsi translation 2011 Pharmacology of Anesthesia. RD Miller, MC Pardo. First edition book. Andisherahi published. August 2012.
2. Saadatniaki A, Abtahi D. Farsi translation 2011 Basics of Anesthesia. RD Miller, MC Pardo. First edition book. Andisherahi published. August 2012.
